Thanks Bill. Since that meeting is over a month away, I'd like to suggest a conference call prior to this meeting to kick off the conversation rather than waiting 1.5 months. I can schedule this. Perhaps for August 2<sup>nd</sup> or 3<sup>rd</sup> since that seemed to work for our schedules. We could go over the MAA with MDEQ and answer any questions they have. That would make for a more productive in person meeting.

Wed or Thurs that week is the 23<sup>rd</sup> or 24<sup>th</sup>, not 8/22-23. I am available either day.

All,

Tom and I spoke. The only week that works for him is the week of August 21. He would prefer the meeting to be on Wednesday or Thursday (8/22 or 8/23). Please let me know your preference so I can get back to him to lock in the date.
